Going to my appointment at Mid Kildare CDNT

I am going to see _____ On _____	
I can walk through the doors and into reception.	
Then I can go to the waiting room. Sometimes there are other boys and girls in the waiting room, this is okay.	

If I am waiting, I can sit, read, or play with toys.	
Then _____ will meet me and we will go to another room to play games or do other activities.	
When I am finished _____ will tell me that we are done. Going to my appointment can be lots of fun! Maybe I will come back for another appointment soon.
